Step 2

Acceptance into Linden Christian School requires that students, together with their parents or guardians, participate in an interview with an Administrator of the school. The purpose of the interview is to learn about your child and to discover if LCS might be the place that would allow them to have an excellent academic experience. Our Administration Office will be in contact with you to make interview arrangements. Interviews can be conducted using Skype, Google Play or FaceTime.

Step 3

Following the interview, the Administration will review and decide upon acceptance and placement of the student. Students who are accepted will receive an Official Letter of Acceptance and Registration documents that must be completed and returned within two weeks of receiving the package. These documents include the following:

- completed Registration Form
- \$75 per student Registration Fee in Canadian funds (payable to Linden Christian School)

A meeting time will be arranged to meet with Mrs. Davison – Director of the EAL Department to ensure that proper supports and course selections are in place for the student.
