Education Built on Relationships

Policies

Statement of Faith

Parents and/or guardians must read and sign the Linden Christian School Statement of Faith on the back of each application form. Since Biblical teaching from a Christ-centered world-view is an integral part of a student's education at Linden Christian School, each parent or guardian must read the Statement of Faith and both signatures are required. Biblical teaching is integrated with the curriculum in a significant way and your signature means that you agree to have your child learn these articles of faith as they arise on a daily basis.

Withdrawal and Refunds

Notification of intent to withdraw must be made in writing to the Registrar. One full month's notice is required. Refunds are to be considered as follows:

- registration fees are non-refundable
- capital fees are non-refundable
- one-half (1/2) of the full tuition fee may be refunded if the student withdraws prior to September 30th
- no refund will be granted, for whatever reason, if the student withdraws on or after October 1st

Tuition Rate Adjustments

Any change in international or non-resident status during the course of the school year in which the student has currently registered, will not affect the tuition rate due as outlined in the original Tuition and Registration invoice. Tuition fees will not be adjusted to reflect any change from international or non-resident status during the course of the current school year. Upon providing supporting documents evidencing a change, the student may apply for subsequent years at the standard tuition rate applicable to resident students. However, if our EAL Resource Department determines the student must continue to participate in the EAL Program, there will be an additional fee for EAL services, over and above the resident student rate. Tuition rates may be adjusted to resident student rates upon meeting the following criteria:

- change of status to Permanent Resident
- completion of EAL Program based on recommendation from EAL Resources

International Student Medical Health Coverage

International students are eligible for Manitoba Health coverage if they have a valid study permit issued by Citizenship and Immigration Canada (CIC) for a minimum of six months and will be living in the province for a minimum of six months in a calendar year, also have confirmation of enrollment at a Designated Manitoba Educational Institute. Manitoba Health coverage is available only during the period when the study permit is valid.

Manitoba Health Registration forms can be printed from www.manitoba.ca/health/mhsip and either submitted in person or mailed to Manitoba Health's Registration and Client Services at 300 Carlton Street, Winnipeg, Manitoba, R3B 3M9. For more information about how to apply, please call 204-786-7101 or 1-800-392-1207 toll-free.
