A Kindergarten student is considered half time (with the exception of Full Time Kindergarten) and qualifies as a 0.5 student for purposes of determining the applicable family discount amount. The discount amounts per family are outlined in the table below.

Capital Fee

A capital fee will be charged at a rate of \$300 per family. The purpose of the fund is to allow the school to meet important needs of capital development such as ongoing technological upgrades, one of our most pressing needs.
