### **INTRODUCTION TO MUSICAL THEATRE WITH MARGOT SIM**

A beginner's course in communicating on stage through songs, poems, dialogue, gesture and staging. Fun and creativity with movement and music: warm-ups for the voice and body, Improv games, and Theatre games. Build confidence as a performer through team-work. The class will present a short, mini-musical at the end of the course.

Margot Sim is the voice teacher at LCS-SOFA. She has worked as a professional singer-actor and adjudicates Speech Arts and Musical Theatre in festivals across Canada. Margot believes in a high-energy learning environment and in finding the "fun" in fundamentals.

### **ART CLASSES WITH LISA SCHROEDER**

SOFA art classes provide a space where students can learn new techniques and build upon existing formal art skills. Students will be challenged with projects that require them to draw from life, visually communicate narrative, practice colour theory, and study an artist's work from art history. Parents can expect finished mixed media work, pastel drawings and water colours, hand built clay projects and a personal sketchbook to return home.

Instructor Lisa Schroeder is a visual artist. Lisa works in a variety of methods including sculpture, drawing, printmaking and paper making, to create delicate and thoughtful work.
