The discount amounts per family are outlined below.

2.0	\$500
2.5	\$800
3.0	\$1,200
3.5	\$2,100

Charitable Gift Receiving for Portion of Tuition Fees

A significant portion of tuition fees at Linden Christian School is considered to be a charitable gift. This amount, which has ranged from 46% to 51% of tuition fees in previous years, is eligible for a tax credit in accordance with Canada Revenue Agency guidelines. The Capital fee of \$300.00 is fully eligible for a charitable receipt.

Registration after September 30, 2018

The school is not eligible for government support grants for students who register after September 30, 2018. Therefore, in lieu of this grant, a surcharge of \$5,860.00 per full time student will be levied in addition to tuition fees. Tuition fees and the surcharge will be pro-rated to the portion of the school year remaining, with rates adjusted to the beginning of the month in which registration takes place.

Advance Payment of Tuition

Payment Options:

- 2.5% discount for a full tuition payment by April 1, 2018.
- 2.0% discount for a full tuition payment by May 1, 2018.
- 1.6% discount for a full tuition payment by June 1, 2018.
- 1/10th of tuition paid at the time of registration and a discount of 1.1% for the remaining balance paid in full by September 1, 2018.
- 1/10th of tuition paid at the time of registration and the remaining balance paid in nine equal monthly instalments from September 1, 2018 to May 1, 2019.

Bursaries

Bursaries are available on the basis of financial need. The registration fee, capital fee and 10% initial tuition payment are required before a bursary application will be provided and considered. The Bursary Committee confidentially considers each bursary application. A copy of the most recent income tax return from the parent(s) is required as part of the information to be submitted with the bursary application. The deadline to submit a bursary application is May 31, 2018. Families will be advised of the status of their bursary application after the committee meets in June.

Annual Re-registration in February

In February, students currently enrolled in the school are asked to re-register for the following academic year. The re-registration fee of \$50.00 per student, accompanied by the capital fee of \$300.00 and 10% of the tuition as a financial commitment towards tuition for the following year, reserves the student's place in the school. The re-registration fee, capital fee and 10% payment are non-refundable.
