  - ➢ Non-aerosol deodorant (no spray).
  - ➢ Hair elastics for hair to be tied back

Grade 8 Band/Choir

- ❑ "LCS Music" polo shirt to be purchased from school in September (approx. $30)
- ❑ Black dress pants (no jeans)
- ❑ Black socks
- ❑ Black shoes (no runners)
- ❑ Essential Elements Book 2 (for your specific instrument)
- ❑ 1 pkg of dividers
- ❑ Black 1 inch 3 ring binder

Note: Band instruments and method books should be labelled with first and last names, but **NOT** be brought to school until after your child's first band class.

Returning LCS students entering grade 8 are to return with their school-owned lock on the first day of classes.

New students will receive a lock from the school on their first day. Only locks provided by the school are to be used.

Label all supplies with student's name.

Purchasing Device Specifications for Grade 5-11 Students at LCS for September 2018
Laptop

- screen no larger than 14 inch (to fit desk space and provide better battery life)
- 4GB RAM
- Laptop: 250GB Hard Drive
- Windows OS minimum Windows 10

Chromebook:

- screen no larger than 14 inch (to fit desk space and provide better battery life)
- 2GB RAM
- 16 GB internal storage

Tablet devices (Android or iPad) are highly discouraged due to:

- Connectivity issues
- Keyboard connections
- Size
- Difficulty for students using applications

Important Notes

1. Chromebooks are highly recommended as the first choice for devices at LCS as they balance price and best educational use.
2. More information on the Chromebook available for purchase at LCS can be found here. LCS will accept orders here.
3. Google Management software (included in the price offered by LCS) will be installed on all Chromebooks **purchased through LCS**.
4. Google Management software is highly recommended and can be purchased through the school for $35 for other Chromebooks purchased outside of school.
5. Linden recommends purchasing monitoring software. An option that is compatible with all device OS is Accountable2You.
6. For devices not purchased through LCS, it is recommended that you purchase an over-the-counter extended warranty. LCS is not able to support the servicing or repair of devices not purchased through the school.
7. Windows RT and Linux based devices are not supported.
8. Protective cases are highly recommended.

Grade 11 and 12 Considerations for University and College
Specific universities and colleges, and faculties within each, sometimes have recommendations on hardware and software. These recommendations vary widely. If you have a specific university or faculty in mind, please visit their websites to see those recommendations. A liberal arts degree will need a less specific set of hardware than architectural engineering. A set of college recommended devices for 2018 can be found here at TechRadar. Please note that a Chromebook is featured at number three in this top 10 review.
