Education Built on Relationships

Annual School Re-registration

In February, students currently enrolled in Linden Christian School are asked to re-register for the following academic year. The re-registration fee of \$50.00 per student, accompanied by the capital fee of \$350.00 and 10% of the tuition as a financial commitment towards tuition for the following year, reserves the student's place in the school. The re-registration fee, capital fee and 10% payment are non-refundable.

Any arrears in current year accounts, including Tuition and Before and After School Program fees, must be paid in full before re-registration forms will be accepted.

Advance Payment of Tuition

Payment Options:

- 2.35% discount for a full tuition payment by April 1, 2019
- 1.5% discount for a full tuition payment by June 1, 2019

Instalment Plan:

- Mandatory 10% first payment post-dated to June 1, 2019
- 9 further equal payments starting Sept 1/19 to May 1/20
For those selecting monthly instalments, either the preauthorized Automatic Funds Transfer Form (AFT) or post-dated cheques must be provided at the time of registration.

Charitable Gift Receipting for Portion of Tuition Fees

A significant portion of tuition fees at Linden Christian School is considered to be a charitable gift. This amount, which has ranged from 46% to 51 % of tuition fees in previous years, is eligible for a tax credit in accordance with Canada Revenue Agency guidelines. The Capital Fee of \$350.00 is fully eligible for a charitable receipt.

Bursaries

Bursaries are available on the basis of financial need. The registration fee, capital fee and 10% initial tuition payment are required before a bursary application will be provided and considered. The Bursary Committee confidentially considers each bursary application. A copy of the most recent income tax return from the parent(s) is required as part of the information to be submitted with the bursary application. The deadline to submit a bursary application is May 31, 2019. Families will be advised of the status of their bursary application after the committee meets in June.
