Education Built on Relationships

Dear Parent/Guardian:

Thank you for expressing an interest in Linden Christian School. We are a dynamic independent school inspired by faith, motivated by excellence and anchored by meaningful relationships. Linden Christian School provides an outstanding educational experience for over 950 students from Kindergarten to Grade 12.

Admission to the school is by application. I have enclosed an information package on our school. Please complete the enclosed application form(s) and return to the attention of the Registrar, either in person or by mail at your earliest convenience. Please include a current photo of the child, copy of child's birth certificate, and the latest copy of the report card for each applicant (not required for Kindergarten).

The application fee of \$50.00 per applicant may be made payable to Linden Christian School.

We look forward to hearing from you. If you have any questions, please call the Registrar's Office at 204.989.6739. You may also visit the school's website for additional information at www.lindenchristian.org.
