Education Built on Relationships

Before & After School Care (BASC)

The Before and After School Program (BASC) is offered to families by Linden Christian School in an effort to accommodate the working hours of our parents/guardians. The BASC program provides a friendly and comfortable atmosphere where students can begin and/or end their day. Students have the opportunity to interact with other students and have access to learning centers such as art, games, crafts, Lego, play dough, reading and many other activities. The After School Program also includes activities in the gymnasium or outdoor play opportunities whenever possible. Quiet areas are also available for students to work on homework assignments. All activities are supervised by staff who work together to provide a safe and caring environment for your child(ren).

Staff

Our trained staff includes educational assistants who work in the classrooms during the day and many of the staff providing care and supervision are Senior Year students or Alumni who enjoy working with the Early and Middle Year students. All BASC staff are committed to the Mission, Vision and Core Values of LCS. Staff have completed a training course and have been cleared on Child Abuse Registry and/or Criminal Records Check.

Schedule

The BASC program operates from 7:30 am to 8:20 am and at the end of the day from 3:20 pm to 5:30 pm after school each day that kindergarten through grade 6 are in session.
