Dear LCS Parents and Guardians,

Our Annual Fundraising Banquet will not take place this school year. The COVID-19 pandemic has created uncertainty in everyday life that will clearly not be resolved anytime soon.

I want to thank our community for the overwhelming response we have received over the years for this special event. The banquet raises important gifts for our bursary funds and other vital projects.

I look forward to gathering together with you next year. I pray that you and your family are experiencing God's peace and love during these difficult times. May we continue to walk together, helping each other through this.

In His Service,

Robert Charach  
Principal and CEO
