Education Built on Relationships

March 12, 2020

Dear Parents and Guardians:

The health and well-being of our students and staff remains our top priority. As the COVID-19 pandemic evolves, we all have a role to play in slowing its spread and minimizing its impact on our community.

This situation is rapidly changing and we are working closely with Manitoba Education and local health officials. With this in mind, you can expect to receive additional communication on school programming and events as we gather information and respond.

For up-to-date information and resources, please visit the following websites:

I deeply appreciate your ongoing prayerful support,

Robert Charach
