Education Built on Relationships

April 21, 2020

Dear LCS Families,

Since our last Financial Matters letter of March 26, 2020, the province has suspended on-site classes indefinitely for this school year. We remain committed to providing on-line education and appreciate your support and participation.

Here are some financial updates:

Pizza Friday, Hot Lunches and Field Trips:

Permission Click transactions for miscellaneous payments such as Pizza Friday, hot lunches, field trips, etc. have been reversed. For payments made by cash or cheque, your account balance will be maintained on record. You will receive confirmation of your credit in the August back-to-school mailing and will be able to apply your credit to future similar activities. Arrangements for refunds associated with non-returning students will be addressed in June.

Music Trips:

We are pleased to report that refunds for Brandon and Edmonton music trips are now being processed. A letter of explanation outlining the refund details will be provided with the refund cheque(s).

Our travel agent for the Cuba trip is still waiting for information from the airlines, hotels, etc. all of whom are dealing with a backlog of requests. As soon as we receive notification about these refunds, we will contact Cuba trip families.

Tuition payments:

We recognize that Covid-19 has caused economic hardships for many families. If your family is facing an unexpected financial disruption, please contact Rob Thornhill, Financial Controller, via email accounting@lindenchristian.org regarding your tuition payments.

We will continue to keep you updated as we work through the weeks ahead. We thank you for your continued support in these challenging times.

In His Service,

Robert Charach
Principal and CEO
