

## STAFF CONTACTS FOR STUDENTS AND PARENTS

Teachers will be available to answer questions during regular school hours (8:30 am-3:30 pm) to support on-line learning. Students are encouraged to keep up their daily work and to ask for help and support as we navigate this new learning environment. Click [here](#) to access our Staff Directory via the Linden Christian School website.

We are aware that this is a stressful time for many families and students. Our Spiritual Care team will be providing videos of encouragement and devotions during this period of on-line learning. Josh Dalzell, our Director of Spiritual Care and Campus Life, along with the Terrilee Friesen and Cameron Kerney, also from the Spiritual Care Team, will offer support to students as the need arises. Students may reach out to our team for support:
