Education Built on Relationships

Dear LCS Families,

The ever-changing COVID-19 situation in Manitoba has resulted in ongoing changes at LCS as we strive to provide a safe environment for our school community. Your attention is drawn to the following:

1. Public Health Directive Related to Self-Isolation

Public Health Officials are advising the Winnipeg Metropolitan Region that in those instances where anyone is symptomatic, or has a household member who is symptomatic, the entire household needs to self-isolate. Click [here](#) for a quick reference on how you need to respond when your child or a member of your household is sick.

2. Three Non-Instructional Days/No School Days are Being Added

Earlier this week, the government announced three additional non-instructional days are being added to the 2020-2021 school calendar so that schools can focus on collaborative planning in the event a shift to remote learning is required. The government has directed that two of these days must be scheduled prior to the Christmas Break. At Linden Christian School, **Thursday, November 26** and **Friday, December 4** have been selected for this purpose. The third day will be communicated in the new year.

The School Calendar has been updated on the website to reflect November 26 and December 4 as Professional Development/K-12 No School Days.

3. Triad Conferences Go Virtual - November 26 and 27, 2020

K-12 Triad Conferences will be held virtually via Google Meet on Thursday, November 26 (4:30 pm - 9:00 pm) and Friday, November 27 (9:00 am - 12:00 pm). Instructions on how to arrange a Google Meet will be emailed to you on Monday.

We continue to hold the school community in prayer as we navigate these challenging times and deeply appreciate your ongoing support.

In His Service,

Robert Charach
Principal and CEO
