

## 2021-2022 Tuition Schedule and Policies

*Acceptance of international/or non-resident students is limited and is based on the school's capacity to maintain an effective EAL program.*

### International Tuition Fee Schedule

Annual tuition fees for the 2021–2022 school year are listed on the tables shown below.

Grade	Tuition per Student
Grades 1 - 12	\$13,000.00

### Payment of Tuition

The full tuition, registration fee of \$75 per student and capital fee of \$350 per family are to be paid upon acceptance to Linden Christian School. Payment confirms the student's registration and grade placement.

### Capital Fee

Linden Christian School is a not-for-profit school that receives a government grant for less than half of our operating costs with tuition covering the remainder. We receive no funding from the government for our capital costs and new initiatives. The purpose of the Capital Fund is to allow the school to meet important needs such as ongoing technological and facility upgrades.

### Withdrawal and Refunds

Any changes in international or non-resident status during the course of the school year in which the student has currently registered, will not affect the tuition rate due as outlined in the Tuition and Registration Invoice. Any change from international to non-resident status will be accepted up until June 30.

Notification of intent to withdraw must be made in writing to the Admissions Office. One full month's notice is required. Refunds are outlined on the Tuition Invoice.
