Education Built on Relationships

Dear LCS Families,

The Government of Manitoba yesterday shared their preliminary plan for reopening the school in September. I am pleased to tell you that school is scheduled to resume on Wednesday, September 8 with all Kindergarten to Grade 12 students returning to in-class learning. (In the case of Kindergarten students, staggered entry dates apply--details of which have already been communicated to affected families.)

The Government's goal is to allow schools to return to "near-normal" activities and operations. With this in mind, please know that LCS remains committed to the safety of all students and you can anticipate that the school's reopening plan will reflect public health requirements and recommendations. I expect to be in a position to share the 2021-2022 Reopening Plan with you during the week of August 23.

On behalf of Administration, the faculty and staff, we send our best wishes to all of you for the remaining weeks of the summer break and hope that you have been able to visit with family and friends. We look forward to welcoming students back to campus for in-class learning on September 8!

Robert Charach
